

City of Chula – Water Service Line Survey – 2023

The Environmental Protection Agency (EPA) has implemented a new lead and copper rule and the city must comply with the new regulation. The EPA is requiring all public water systems to do an inventory of all public and private water lines. Please complete the below information and return it to the City of Chula. If you have any questions, please contact Ann Hamilton at 660-247-1356.

Thank you for helping our utility meet compliance with the EPA regulation.
